

Privacy Policy Note

General Information

The following notes provide a simple overview of what happens to your personal data when you visit our website. The protection of your personal data is of great importance to us. The collection and processing of user data are carried out in accordance with the applicable legal provisions.

We have implemented technical and organizational measures to ensure compliance with data protection regulations.

Data Protection Information for Website Visitors

AviaSafe GmbH would like to explain below which data we process and how we process it on this website.

If you have any questions regarding data protection, please contact our Data Protection Officer. The contact details can be found in the legal notice (Impressum) of this website.

Purpose, Legal Basis, Categories of Recipients, and Storage Duration of Data Processing

Purpose: Presentation of the company, provision of services and/or sale of products, and communication via the Internet.

The purpose of data processing on this website is to provide information about the products and services of our company,

combined with the possibility for users to contact our representatives directly.

Personal data is processed based on the following legal grounds:

- Art. 6(1)(a) GDPR – processing based on the consent of the data subject.
- Art. 6(1)(b) GDPR – processing necessary for the performance of a contract with the data subject or to take pre-contractual measures.
- Art. 6(1)(c) GDPR – processing necessary for compliance with a legal obligation to which we are subject.
- Art. 6(1)(f) GDPR – processing necessary for the purposes of legitimate interests pursued by us or by a third party,

unless overridden by the interests or fundamental rights and freedoms of the data subject. Legitimate interests include, in particular,

our business interest in providing our website, ensuring information security, enforcing legal claims, and complying with further legal obligations.

We use service providers who are contractually bound to confidentiality and data protection. Data is transferred to authorities only if required by law.

There is no transfer of data to third countries.

Data Collected During Website Access

When visiting our website, a connection is established with your browser. The following information is collected and temporarily stored in system files:

IP address of your device, date and time of access, name and URL of retrieved files, referring website (referrer URL), browser used,

operating system of your device, and the name of your Internet Service Provider.

The data is processed for ensuring a smooth connection setup and system security.

Connection data is automatically deleted after seven days, unless retention is required to investigate misuse.

Cookies and Analysis Tools

This website uses “cookies,” text files stored on your computer that enable an analysis of your website use.

The information generated by cookies is used to evaluate visitor behavior and improve our website.

The legal basis for processing is Art. 6(1)(f) GDPR (legitimate interests). Optimizing our web presence constitutes such an interest.

The collected data is used exclusively for internal statistical analysis and is not shared with third parties.

Cookies are typically deleted after two years. You may disable cookie storage in your browser settings, but doing so may limit the full functionality of the website. Data collection is anonymized and not personally identifiable.

Contact Form

If you send us inquiries via our contact form, your data from the inquiry form, including the contact details provided,

will be stored for processing your inquiry and for follow-up questions. This data will not be shared without your consent.

Processing is based solely on your consent under Art. 6(1)(a) GDPR. You may revoke your consent at any time via email.

The legality of prior processing remains unaffected. Data is stored until you request deletion, revoke consent, or the purpose no longer applies. Statutory retention periods remain unaffected.

Customer Account / Contractual Services and Email, Telephone, or Fax Inquiries

When you contact us via email or telephone, your request and related personal data (name, request details) are stored for processing purposes.

Data is not shared without consent. If you order products or services via the website, we process your data (name, address, contact, payment data if applicable)

for contract performance under Art. 6(1)(b) GDPR. Data is shared only as necessary for contract fulfillment and

Data in customer accounts is retained as long as the account exists.

Contact Requests for Offers

By submitting a request, you consent to your data being forwarded to the designated or suitable advisor.

You further agree that the advisor may contact you by phone or email regarding your request.

The advisor will use your data solely for the purpose of providing an offer and contact.

The legal basis is your consent under Art. 6(1)(a) GDPR, which you can withdraw anytime by emailing info@aviasafe.de.

If the data has already been shared, we will ensure its deletion by the advisor.

Newsletter

The newsletter aims to inform you about new products and services. We send newsletters to existing customers based on legitimate interests (Art. 6(1)(f) GDPR)

or consent (Art. 6(1)(a) GDPR). Data is not shared with third parties. The double opt-in procedure applies for newsletter subscriptions.
